YOUR MESSAGES HAVE BEEN DELIVERED!

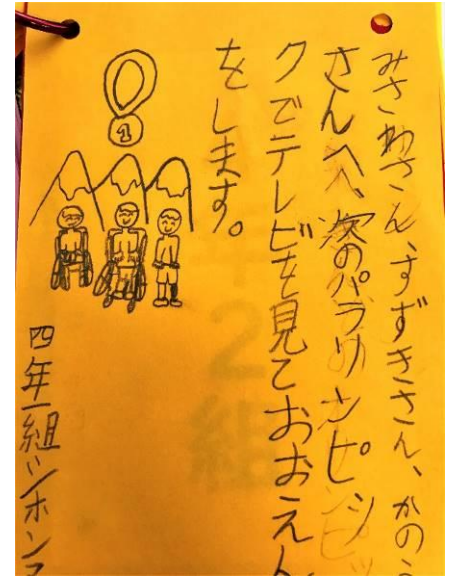

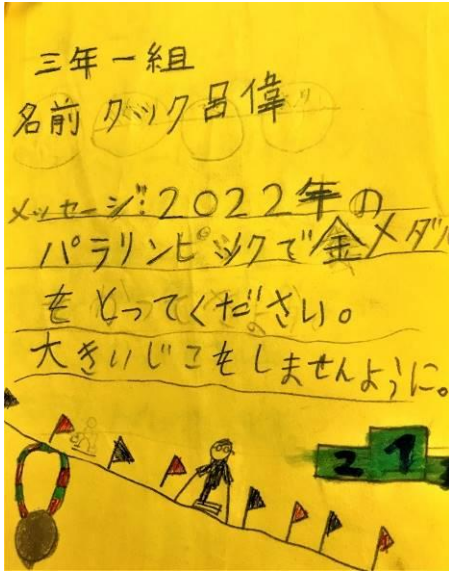

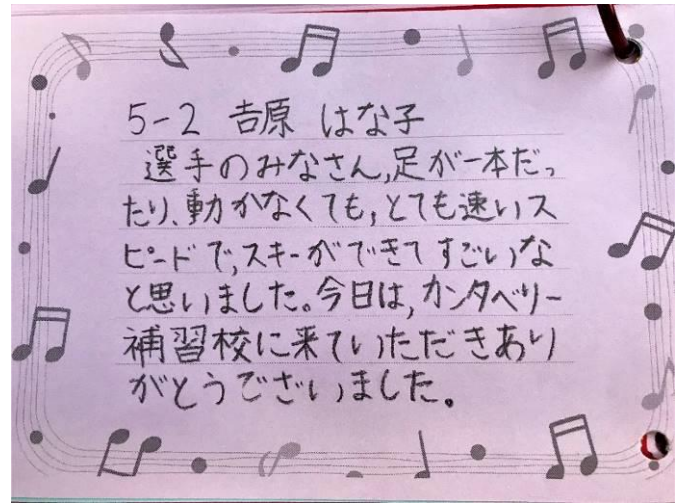

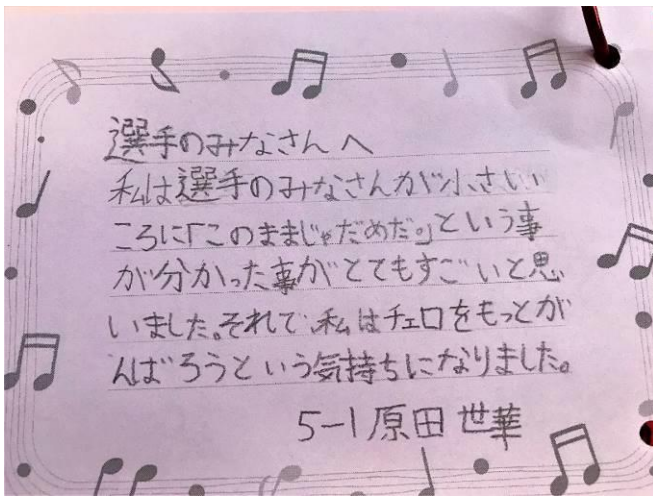

掲載

The messages to the Paralympic athletes who held a meeting on August 18th have been delivered. They were very happy. They are returning to Japan this weekend, so it's good that they received them in time. Here are a few of the children's thoughts.

We were able to hold this meeting thanks to Mr Otaki (year 5 / 9 parent) who lives in methven. Thank you very much.

A storage shelf at the entrance of the office has been completed. The once cluttered entrance is now organized. Materials were donated from DAIKEN, and Mr Harada (year 3 / 5 / 9 parent) built it. Thank you very much.
